More Information

High Time Photography is the official photographer for all the Rosinburg Events again this year. They will also be providing videography services for most of the shows.

To arrange photography or videography prior to your arrival, contact John Snyder with High Time Photography at 336-671-4446 or by email at hightimephotography@gmail.com prior to the show to sign up. They will have a trailer near the show rings where you can also arrange for photography or videos. There is no cost or obligation to sign up for still photography, and while they make every effort to photograph every rider, signing up allows their photographers to prioritize and emphasize your ride. You must sign up for videos prior to your ride. Videos are done first come first serve, so be sure to sign up early! Videos will be mailed to you after the show.

You can view your pictures at the show from the High Time Photography trailer and they have an at-the-show special of all your pictures, so be sure to stop by their trailer before you leave the show! All the pictures from the shows will be posted on their website at www.hightimephotos.com after the shows.
