Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

2019 USDF Breeders Championship Series Program Rules

The USDF Breeders Championship Series (USDFBCS) is a program intent on recognizing quality bloodlines and dressage prospects across the nation. Through a combination of in-hand and matiere classes, the USDFBCS program strives to provide top-notch competition opportunities for prospect and breeding stock horses.

- The USDFBCS is scheduled on a calendar year basis, which means that the USDFBCS competition year runs from January 1-December 31.
- A series must have a minimum of three qualifying events in order to host a series final competition.
- Series boundaries are determined by USDF. Please be advised that the boundaries of any given series may cross the regional boundaries established for dressage competitions.

All Dressage Sport Horse Breeding (DSHB) and USDFBCS exhibitors and management staff are responsible for knowing the rules pertaining to USEF-licensed/USDF-recognized dressage competitions holding DSHB classes, as well as USEF-licensed/USDF-recognized competitions in general. The USEF Rule Book Chapter Dressage, Subchapter DR-2, contains the DSHB class rules, and can found online at www.usef.org. All recent rule changes in the online USEF Rule Book will be noted in color.

I. IN-HAND CHAMPIONSHIP

A. HORSE REGISTRATION AND MEMBERSHIP REQUIREMENTS FOR ELIGIBILITY (IN-HAND CLASSES)

1. All horses entered in any USDFBCS qualifying or series final competition must have either a USDF Lifetime Horse Registration (LHR) or USDF Horse Identification Number (HID), and submit identification information. Horses registered with a breed organization should have a copy of their registration papers submitted directly to USDF.
2. Owner is not required to be a USDF member for qualifying or series final competitions. If the owner does not have a current USDF Group, Participating, or Business Membership, non-member fees will apply. Should non-member fees not be paid by the USDF owner of record and/or not collected by competition management and submitted to USDF following the completion of an in-hand championship class, elimination from the championship class in question may result due to non-compliance with USDF requirements for competition.
3. Neither USDF membership nor a USDF non-member fee is required for the handler.
4. Horses participating in USDFBCS qualifying or final events are not required to be registered with any studbook, but "if a horse is registered with any breed organization, the name of the breed, sire, dam, damsire, and breeder must be given on the entry blank. For unregistered horses competing in DSHB classes, the information is strongly recommended, if available" (GR907).
5. It is strongly recommended that horses not registered with a breed registry be listed as "unregistered".
6. It is the responsibility of a horse's owner to ensure that all USDF membership and horse registration requirements for competition are correct and current prior to the start of competition. Should any required USDF membership or horse registration application and related fees fail to be submitted to USDF following the completion of a series final competition, elimination of a horse from its relevant series final class may result due to noncompliance with USDF membership and horse recording requirements for competition.

B. REQUIREMENTS FOR USDFBCS QUALIFYING EVENTS (IN-HAND CLASSES)

1. Classes must be offered and judged according to DR209.
2. All divisions must offer Sport Horse Prospect In-Hand and Breeding Stock In-Hand classes.
3. Only a single set of Sport Horse Prospect In-Hand and Breeding Stock In-Hand Dressage Sport Horse Breeding classes may be offered to serve as qualifying classes for the USDFBCS per competition. These classes must be open to all horses and ponies of the appropriate age and sex, and not subject to any entry restriction.
4. A separate championship class must be held for all divisions, even those that have only one class or one horse in the division. For example, if there is only one class of mares, the top two mares from that class would then be shown in the championship class. If there is only one stallion in the one stallion class, that stallion would then show again in the championship class. All horses must be reevaluated by the judge(s) at both the walk and the trot in the championship class. If any one of the judges adjudicating this class has not previously judged all of the horses in this class, conformation must also be reevaluated on every horse.
5. Each qualifier event must offer a current year filly class, a separate current year colt/gelding class and a current year foal championship class. This current year foal championship class is a series final qualifying class. This class must be held and judged (i.e. reevaluated at the walk and the trot, and conformation if required) in accordance with DR210.

The current year foal championship class, at qualifier events, must be open to first and second place winners of Sport Horse Prospect In-Hand classes for all foals of current calendar year, as listed below. First and second place (and third if desired), fillies and colts/geldings of current year will compete against each other in the same class. (Organizers have the option of including third placed horses in qualifier championship classes.) No scores are given. Ties are not allowed.

Current Year Foal Championship:

Fillies of current calendar year

Colts/Geldings of current calendar year

The champion and reserve champion current year foals at each qualifier event are eligible to compete in their respective USDFBCS series final class. A third place foal in the championship class must be named as well.

6. Each qualifier event must offer a Filly Championship class and a Colt/Gelding Championship class. These classes are USDFBCS qualifying classes. These classes must be held and judged (i.e. reevaluated at the walk and the trot, and possibly the conformation) in accordance with DR210. The filly and colt/gelding championship classes must be open to first and second placed winners of Sport Horse Prospect In-Hand classes for all horses, as listed below. (Organizers have the option of including third placed horses in qualifier championship classes). No scores are given. Ties are not allowed.

Filly Championship

Colt/Gelding Championship:

Yearling Fillies

Yearling Colts/Geldings

Two-year-old Fillies

Two-year-old Colts/Geldings

Three-year-old Fillies

Three-year-old Colts/Geldings

The champion and reserve champion filly and the champion and reserve champion colt/gelding at each qualifier event are eligible to compete in their respective USDFBCS series final class. A third place horse in each championship class must be named as well.

Current Year Foals ARE NOT ALLOWED in Filly Championship and Colt/Gelding Championship classes.

7. Each qualifier event must offer a Mare Championship class and a Stallion Championship class. These championship classes are USDFBCS qualifying classes. These classes must be held and judged (i.e. reevaluated at the walk and the trot, and possibly the conformation) in accordance with DR210. Mare and Stallion Championship classes must be open to first and second placed winners of Breeding Stock In-Hand classes for horses age four years old and over, as listed below. (Organizers have the option of including third placed horses in qualifier championship classes). No scores are given. Ties are not allowed.

Mare Championship:

Mare classes may be divided by age, competition and/or breeding status (as of January 1st of the current competition year), as in the following example:

Four-year-old and older maiden mares – never bred

Four-year-old and older yeld mares – previously bred but not currently bred or nursing

Four-year-old and older broodmares – in foal or currently nursing (mare only to be judged).

For details on determining breeding status for competition purposes, please refer to DR203.

Stallion Championship:

Stallion classes may be divided by age or competition status, as in the following example:

Four-year-old and older stallions showing only in-hand

Four-year-old and older stallions showing also under saddle

The champion and reserve champion mare and the champion and reserve champion stallion at each qualifier event are eligible to compete in their respective USDFBCS series final class. A third place horse in each championship class must be named as well.

8. Age/sex eligibility is determined as follows:
 - a. Fillies, colts, and geldings three years of age or under may show ONLY as sport horse prospects, not in breeding stock classes/categories.
 - b. Mares and stallions age four and over, may show ONLY in breeding stock classes/categories. Note: Two and three-year-olds are ONLY eligible to compete in the filly or colt/gelding championships. They are NOT eligible for the mare or stallion championships.
 - c. Geldings of any age may NOT show in breeding stock classes/categories. Geldings age three and under may show ONLY in sport horse prospect classes.
9. Scoresheets: Age group classes must be judged using the appropriate scoring categories and percentages. Sport horses three years old and under MUST be evaluated on the current USDF Dressage Sport Horse Prospect In-Hand

- scoresheets and breeding stock MUST be evaluated on the current USDF Dressage Sport Horse Breeding Stock scoresheets.
10. Horses in all USDFBCS qualifying classes must be evaluated for movement according to DR210. Each horse competing at a USDFBCS qualifying show will have only ONE opportunity to qualify for the championship class appropriate to their age/sex category.
 11. During the same or separate awards ceremonies, the current year foal champion and reserve, the filly champion and reserve, the colt/gelding champion and reserve, the mare champion and reserve, and the stallion champion and reserve, must be named USDFBCS qualifying champions and reserve champions for the show. A third place horse in each championship class must be named as well. Ties are not allowed. Announcements must identify sponsors and horses' breeding information.
 12. For each USDF Breeders Championship Series qualifier class, the champion and reserve champion must be presented with a qualifier ribbon. These ribbons will be supplied to the show by USDF. Only the champion and reserve champion will receive the qualifier ribbons, even if they have previously qualified. The third place horse in the qualifier championship class will not receive a qualifier ribbon. The qualifier ribbons for champion and reserve champion are identical.
 13. All champions and reserve champions will be eligible to compete in the USDFBCS series finals. In the event that a champion and/or reserve has already qualified for the final, the third-placed horse from the pertinent qualifying championship class will be eligible to compete in the final. Competition management is required to have judges place qualifying championship classes to three places, with no ties. In addition, any other horse receiving a 77.000 percent or better in its age/sex class will be qualified and eligible to compete in the USDFBCS series finals.
 14. A list of qualified horses is maintained, by series, on the USDF website.
 15. Horses must qualify in the same series in which they enter the final. Exception: Horses that have qualified for a series final which is either not scheduled or is cancelled may participate in the final of any other USDFBCS series in the same calendar year, without having to re-qualify for that series final. Owners of horses that have qualified for a final that is not held must indicate which series their horse qualified in on their entry form for the alternative final.
 16. Horses may compete in qualifying events in any series, but if qualified for more than one series final, they may participate in ONLY one final class at one series final.
 17. If there is a change of ownership of the horse, the new owner(s) may choose to participate in the series final where they reside, regardless of where the horse qualified, provided that the new owner contacts the USDF office and initiates the transfer of ownership at least 30 days prior to the new series final date.

C. CONDUCT OF IN-HAND CHAMPIONSHIP DIVISION CLASSES AT SERIES FINAL COMPETITIONS

1. At least two USEF DSHB judges (DR202) must officiate in each series final class; one of the two required judges must be a USEF 'R' DSHB judge. Each judge will evaluate each entry independently, and scribes must be provided for each judge. Winners will be determined by the average of all judges' scores. The highest scoring horses will be declared champions and the second highest will be declared reserve champions of the series final.
2. Ties in series final classes must remain unbroken.
3. There are five in-hand championship classes in USDFBCS series final competitions. Current year foal champions and reserves from each qualifying event will compete together in the USDFBCS current year foal series final class. Filly champions and reserves from each qualifying event will compete together in the USDFBCS filly series final class. Colt/gelding champions and reserves from each qualifying event will compete together in the USDFBCS colt/gelding series final class. Mare champions and reserves from each qualifying event will compete together in the USDFBCS mare series final class. Stallion champions and reserves from each qualifying event will compete together in the USDFBCS stallion series final class.
4. A grand champion and reserve grand champion current year foal, a grand champion and reserve grand champion filly, a grand champion and reserve grand champion colt/gelding, a grand champion and reserve grand champion mare, and a grand champion and reserve grand champion stallion will be named at each USDFBCS series final event. Grand and reserve champions will receive awards and prizes provided by USDF. Third through sixth placed horses in series final classes will receive ribbons provided by USDF. After the last series final competition in a competition year, special certificates will be available from USDF via the website to owners of all horses that competed in USDFBCS series final classes.

5. USDF reserves the right to change, alter, or retract any placings and/or prizes for up to 60 days after the last day of the championship if an error or violation is discovered.
6. Horses must be shown individually on the triangle at the walk and trot, and standing for conformation. Each horse must be evaluated in the same manner. Callbacks are permitted. If horses may be recalled, the prize list or program must state that this procedure will be used (DR209).
7. Owner must enter the qualified horse in the USDFBCS series final championship class. The horse is NOT automatically entered in the series final championship class because it qualified earlier in the day or at another show.
8. Horses in the current year foal final class, filly final class and the colt/gelding final class MUST be evaluated using the USDF Dressage Sport Horse Prospect In-Hand scoresheets. Horses in the mare final class and the stallion final class MUST be evaluated using the USDF Dressage Sport Horse Breeding Stock scoresheets.
9. Management must collect all required USDF membership, horse registrations, and related fees prior to the commencement of series final classes for eligible entries that wish to compete in a series final class. Should required USDF membership, horse recording, and related fees fail to be submitted to USDF following the completion of a series final competition, elimination of a horse from its relevant series final class may result due to noncompliance with USDF membership and horse recording requirements for competition. These applications and related fees must be submitted to the USDF office within 24 hours of the series final classes. Refer to section I.A for all USDF membership and horse recording requirements for competition.
10. Series final events must agree to allow late entries in series final classes for horses that qualified for the series final event after the official closing date.

II. MATERIALE CHAMPIONSHIP

Materiale Championships will be held at each USDFBCS series final competition. Each USDFBCS series final will hold a Three-Year-Old Materiale Championship class, a Four-Year-Old Materiale Championship Class, and a Five-Year-Old Materiale Championship class. Fillies, colts, mares, stallions, and/or geldings, will compete in the same championship classes of their respective age groups. A Grand Champion and Reserve Grand Champion will be named for each materiale championship class at each series final event. These specific age categories of three-year-olds, four-year-olds, and five year-olds are the only eligible categories to be offered as USDFBCS Materiale Championship classes.

A. HORSE REGISTRATION AND MEMBERSHIP REQUIREMENTS FOR ELIGIBILITY (FOR MATERIALE CLASSES)

1. All horses entered in any materiale class or Materiale Championship held at a USEF/USDF recognized Dressage Sport Horse Breeding (DSHB) or dressage competition must have either a USDF Lifetime Horse Registration (LHR) or USDF Horse Identification Number (HID), and submit identification information. Horses registered with a breed organization should have a copy of their registration papers submitted directly to USDF.
2. Owner is not required to be a USDF member for a horse to compete in materiale classes, earn USDFBCS materiale championship qualification scores at USEF-licensed/USDF-recognized DSHB or dressage competitions, or compete in a USDFBCS Materiale Championship class. If the USDF owner of record does not have a current USDF Group, Participating or Business membership, non-member fees will apply. Should non-member fees not be paid by the USDF owner of record and/or not collected by competition management and then submitted to USDF following the completion of a materiale championship class, elimination from the materiale championship class in question may result due to non-compliance with USDF requirements for competition.
3. Rider is required to have a current USDF PM at the time a horse's qualifying score is earned and at the time of the USDFBCS Materiale Championship class.
4. Horses participating in USDFBCS qualifying or final events are not required to be registered with any studbook, but, "if a horse is registered with any breed organization, the name of the breed, sire, dam, dam sire and breeder must be given on the entry blank" (GR907).
5. It is strongly recommended that horses not registered with a breed registry be listed as "unregistered".
6. It is the responsibility of the horse owner to ensure that the owner's and rider's USDF membership and USDF horse registration are correct and current. Should any required USDF membership or horse registration application and related fees fail to be submitted to USDF following the completion of a series final competition, elimination of a horse from its relevant series final class may result due to noncompliance with USDF membership and horse recording requirements for competition.

B. REQUIREMENTS FOR MATERIALE CHAMPIONSHIP QUALIFICATION

1. A horse may qualify for competition in a USDFBCS Materiale Championship class by receiving one score of 72.0% or higher in a materiale class held at any USEF-licensed/USDF-recognized DSHB or Dressage competition during the relative competition year.
2. Scores must be earned at competitions licensed by USEF as dressage competitions. Scores earned at competitions licensed by USEF as Regular or Local competitions are not eligible to be used as qualifying scores for the USDFBCS Materiale Championships.
3. The USDFBCS Materiale Championships will run on the same calendar year as the USDFBCS (January 1-December 31). Qualifications to compete in a USDFBCS Materiale Championship class must be earned in the calendar year that the championship will occur. Any qualifications earned in other calendar years will not apply.
4. Qualifying scores must be earned in materiale classes run under DR134 and DR204. Fillies and/or mares may not be combined in classes with colts, geldings and/or stallions (exception: championship materiale classes – see DR204).
5. At each USDFBCS series final competition, materiale championship classes will be held for three age groups. All qualified horses regardless of sex will compete against one another in their respective age groups. This means that all qualified three-year-olds will compete in one class to determine the USDFBCS Materiale Champion Three-Year-Old, and all qualified four-year-olds will compete in one class to determine the USDFBCS Materiale Champion Four-Year-Old, and all qualified five-year-olds will compete in one class to determine the USDFBCS Materiale Champion Five-Year-Old. Horses will be evaluated according to the criteria listed on the current “USDF Materiale Class” scoresheet, and classes must be conducted according to the current USDF “Procedures to Host USDF Materiale Classes”.
6. Qualifying scores to compete in a class may be earned up until the championship class occurs.
7. Once a horse has qualified to compete in a USDFBCS Materiale Championship class, the horse is eligible to compete at the USDFBCS series final of the owner’s choice. This means that the horse does not have to attend the series final being held within the same geographical area or series that the qualifying score was earned in. However, a horse may only compete in one USDFBCS Materiale Championship class in a given calendar year.
8. A list of qualified horses is maintained on the USDF website.
9. A horse may qualify with a different rider than the rider who competes the horse in the championship class.
10. Dressage competitions with materiale classes scheduled after the USDFBCS series finals are held, are not eligible to participate in the USDFBCS program, and will not be qualifying events for the next year’s series final.

C. CONDUCT OF MATERIALE CHAMPIONSHIP CLASSES AT THE SERIES FINAL

1. At least two USEF DSHB judges must officiate in each USDFBCS Materiale Championship class. One of the two required judges must be a USEF “R” DSHB judge. The other judge may be a USEF “r” DSHB judge. Guest Cards to judge DSHB classes are not allowed, per USEF GR1011. Each judge will evaluate each entry independently, and scribes must be provided for each judge. Winners will be determined by the average of all judges’ scores. The highest scoring horse will be declared grand champion, and the second highest will be declared reserve grand champion for their respective age-group classes. Scores must be awarded to all competitors competing in materiale classes, as well as USDFBCS Materiale Championship classes.
 - a. Ties in USDFBCS Materiale Championship classes must remain unbroken.
 - b. A Grand Champion and Reserve Grand Champion will be named for the three-year-old, four-year-old, and five-year-old USDFBCS Materiale Championship classes at each series final competition. Grand Champion and Reserve Grand Champions will receive awards and prizes provided by USDF. Third through sixth placed horses in these materiale championship classes will receive ribbons provided by USDF.
 - c. After the conclusion of the last scheduled series final competition, special certificates will be available from USDF via the website to owners of all horses that competed in USDFBCS Materiale Championship classes.
 - d. USDF reserves the right to change, alter, or retract any placings and/or prizes for up to 60 days after the last day of the championship if an error or violation is discovered.
 - e. Owner must enter the qualified horse in the horse’s appropriate USDFBCS Materiale Championship class prior to commencement of the class. The horse is NOT automatically

entered in the class because the horse qualified earlier in the day or at another show.

- f. Management must collect all required USDF membership, horse registrations, and related fees prior to the commencement of materiale championship classes for eligible entries that wish to compete in a materiale championship class. Should required USDF membership, horse recording, and related fees fail to be submitted to USDF following the completion of a series final competition, elimination of a horse from its relevant materiale championship class may result due to noncompliance with USDF membership and horse recording requirements for competition. These applications and related fees must be submitted to the USDF office within 24 hours of the series final classes. Refer to section II.A for all USDF membership and horse recording requirements for competition.
- g. USDFBCS series final events must agree to allow late entries in the USDFBCS Materiale Championship classes for horses that qualified for the championship after the official closing date.
- h. Series final events must hold materiale classes allowing for qualification opportunities prior to holding the USDFBCS Materiale Championship classes.

III. THREE-YEAR-OLD PROSPECT AWARD

The Three-Year-Old Prospect Award will be awarded to the three-year-old horse earning the highest combined scores from their in-hand series final championship class and series final materiale championship class at each USDFBCS Series Final annually. USDF will provide each USDFBCS Series Final competition with the prize for the Three-Year-Old Prospect Award. This award must be presented to the award winner at the competition, and a photo taken of the award winner.

IV. AWARD CEREMONIES

A. REQUIREMENTS

1. For all series finals, a USDF sponsor banner must be prominently displayed. If the banner is misplaced or damaged, the event will be responsible for the cost of repair or replacement. Banners must be returned to USDF within 30 days of the competition.
2. In addition to the general requirements above, the awards presentation ceremonies and award presenters at each series final event must be arranged in cooperation with USDF. USDF will contact sponsors to determine if they or a representative plan to attend the award ceremonies. USDF will forward this information to the appropriate management team.
3. All USDFBCS sponsors (or their representatives) should be invited to participate in the final event award ceremonies. Award ceremony announcements must identify the sponsoring organizations. Any sponsors in attendance at these events should be provided with a complimentary copy of the competition program and be given free admission to the event.
4. Management must send two champion photos of in-hand competitors, two champion photos of materiale championship competitors, and two champion photos of the Three-Year-Old Prospect award winner, electronically to USDF for publication with the final results. Persons and horses in the photos must be identified. A photographer’s release must also be submitted.
5. Public announcements must be made, which credit the title sponsor and promote the program to the public. These announcements are required to be made throughout the event, in particular, during the awarding of Current Year Foal, Filly, Colt/Gelding, Mare and Stallion Championships and Three, Four, and Five-Year-Old Materiale Championships. The name of the breeder(s) must be announced during award ceremonies. It is also strongly recommended that breeder(s) and owners of placing horses be invited to participate in award ceremonies.
6. All unused ribbons and prizes must be returned to USDF within 30 days of the competition. If awards are misplaced or damaged, the event will be responsible for the cost of replacement. For series qualifiers, USDF will provide ten qualifier ribbons (two per division). For series finals, USDF will provide neck sashes and prizes for Grand Champion and Reserve Grand Champion and ribbons for third through sixth place. Ribbons and prizes will be sent directly to the designated competition contact about two weeks prior to the event.
7. Show management is responsible to have a professional photographer for USDFBCS series final competitions.

V. COMPETITION MANAGEMENT

A. APPLYING FOR AND SCHEDULING QUALIFIER AND FINAL EVENTS

1. The USDFBCS is scheduled on a calendar year basis (January 1-December 31).
2. A series must have a minimum of three qualifying events in order to hold a series final. All shows in the series, including qualifier classes held in conjunction with the series final, are qualifying events.

3. Competitions intending to host USDFBCS qualifying classes must submit their USDFBCS qualifier application to USDF no less than sixty days prior to the start of the competition. Any competitions submitting USDFBCS qualifier applications less than sixty days prior to the start of the competition will be considered on a case-by-case basis and subject to a \$50 late application fee.
 4. Competitions may not advertise themselves as being qualifying opportunities for the USDFBCS prior to submitting a qualifier application and related \$75 fee to USDF.
 5. The official USDFBCS host site application form for qualifiers and series finals will be available from the USDF office during the summer, prior to the start of the next competition year. USEF-licensed/USDF-recognized dressage competitions interested in hosting a final for a series must submit a completed USDFBCS event application form and contract to the USDF office by October 1 of the year prior to the series final to request consideration for hosting the series final.
 6. The final event of each series is often the last USEF-licensed/USDF-recognized dressage competition holding DSHB classes scheduled in a particular geographical area of the United States. However, a series final must also be held in conjunction with a USDFBCS qualifying event. Host sites of series finals will be designated on or about November 1 of the year prior to the series final year. Competitions which submit a host site application after November 1 of the year prior to the series final year will be subject to a \$50 late application fee and reviewed on a case-by-case basis.
 7. The series final must meet the minimum requirements for a series final: 1) minimum USEF Level 2 competition 2) Show manager and secretary must both be members of USEF and USDF (USDF Participating or Group Membership is required) at the time of championships. 3) all other requirements as stated in the USDFBCS Series Final Host Site Application.
 8. It is recommended that a series final be held in conjunction with a USEF-licensed/USDF-recognized competition unless it has a proven stand-alone history.
 9. All applications for a series final will be considered on a case-by-case basis.
 10. A series final will be considered "definite" when at least three qualifying events have registered with USDF to participate in the series for the year. If it meets the minimum requirements, a series final will be considered "tentative" until at least three events have registered for the series.
 11. If two or more qualified events in the same series wish to host the series final, a working group appointed by the Sport Horse Committee, will select the host site of the series final, after consultation with the chair of the Sport Horse Committee, the regional director(s) of the region(s) with qualifying events in the series and the Sport Horse Committee liaison. Priority for the final will be given to 1) the date of event, which must be after all qualifying events are normally scheduled, and ideally, between August 1 and October 1 of the series final year, 2) the most prestigious DSHB show, or USDF Regional Dressage Championship in the geographical area, 3) location and accessibility to competitors, 4) experience of the competition management with DSHB competitions and 5) history of rule compliance with USEF and USDF.
 12. All USEF-licensed/USDF-recognized dressage competitions with DSHB classes scheduled prior to the series final in the same calendar year and geographical area are eligible to participate in the USDFBCS program. Dressage competitions with DSHB classes scheduled after the series final in their area are not eligible to participate in the USDFBCS program, and will not be qualifying events for the next year's series final.
 13. Only one USDFBCS series, or part of a series, may be held in any particular geographical area in the same calendar year. The boundaries of a series will be determined by USDF in consultation with regional directors and the chair of the Sport Horse Committee. Series will include clusters of DSHB shows, and may cross the regional boundaries established for dressage competitions.
 14. If a USDFBCS series does not have at least three qualifying events recognized by USDF by June 1 of the series final year, the final will not be held. Exceptions will be considered in extenuating circumstances.
- B. ADVERTISING AND PROMOTION**
1. In order to receive full promotional benefits from USDF, qualifying and final events must be approved at least six months prior to the competition.
 2. Qualifiers and final events must be approved by USDF in writing each year before they advertise that they are participating as qualifying or final events in the USDFBCS program.
 3. "USDFBCS" or "USDF Breeders Championship Series" must be used in its entirety if included as the title of an event, or if referred to anywhere within the prize list or program. (In other words, you cannot title a competition the "XYZ Breeders Competition").
 4. The title "USDF Breeders Championship _____ Series Final" must be prominently listed in the final event official prize list, show program,

promotional materials, and advertisements once the competition has received written approval of its status as a designated USDFBCS series Final competition.

5. Unless a competition has received written confirmation from USDF of the Federation's approval to host a USDFBCS series final competition, the competition cannot utilize any competition name or title that would include a USDFBCS series final designation. Any failure on the part of the competition management to follow this protocol will result in a \$100 fine.

C. PRIZES

1. Prizes will be awarded during the finals competition award ceremonies.
2. Prizes and/or other awards may be withheld by USDF to series winners if the following information is not provided to USDF or show manager by required deadlines: name of owner; name, age and sex of horse; and if known, the breed of horse, sire, dam, damsire, and breeder.
3. Prizes and/or other awards may be withheld by USDF if it is found that a series award winner or owner was not in compliance with USDF series final membership and horse registration requirements for competition. These requirements can be seen at I.A and I.A.

D. RULES REGARDING CONTRACTS AND RECOGNITION

1. Qualifying and final events must be USEF-licensed/USDF-recognized dressage competitions and all classes must be conducted under USEF rules.
2. USDFBCS event application, contract and rules for the upcoming competition year will be available to show managers during the summer of the year prior to each USDFBCS competition year.
3. Rule changes and requirements will be fully approved and publicized by July 1 of the year prior to each USDFBCS competition year.
4. Changes of rules, requirements, or contract obligations for competition management (and/or competitors, if applicable) are not permitted after August 1 of the year prior to the start of the USDFBCS competition year, except when changed by the USEF and/or USDF Executive Board.
5. USDFBCS rules and procedures must be listed in the official prize list for the event, and must be available sufficiently in advance to all potential competitors, or the event may be in violation of USEF rules.
6. For qualifying events whose dates fall after the closing date for their series final event, the results must be emailed to USDF at results@usdf.org within 24 hours of completion of the qualifying event. USDF will verify those horses who have qualified with the series final event secretary.

E. CONDUCT AND COMPETITION STANDARDS FOR USDFBCS QUALIFYING AND FINAL EVENTS

Series Final events must meet the minimum requirements for a series final:

1. A minimum Level 2 competition.
2. Show manager and secretary must both be members of USEF and USDF (USDF Participating or Group Membership is required) at the time of championships. All other requirements are as stated in the USDFBCS Finals Host Site Application.
3. DSHB competitions are not permitted to exclude horses from competing in an event that have previously qualified for a USDFBCS series final. Such exclusion is not permitted by USEF rules, and penalties could result.
4. Neither foals nor horses of any other age may be shown loose.
5. Note the following clarification on "stallion": No geldings may compete in the USDFBCS classes for stallions even if they are gelded after qualifying for the finals and are breeding via frozen semen.

VI. LICENSED OFFICIALS

A. REQUIREMENTS

1. According to DR202 a competition with a USEF- licensed Dressage Sport Horse Breeding (DSHB) division must have a USEF- licensed DSHB judge and a USEF- licensed dressage technical delegate (TD) . Guest Cards to judge DSHB classes are not allowed, per USEF GR1011.
2. Apprentice judging is NOT permitted during USDFBCS series final classes.
3. Hunter Breeding judges or USEF judges with other licenses or in other disciplines are NOT permitted to judge DSHB classes.
4. It is recommended that the USEF (TD) officiating at a USDFBCS series final have significant experience officiating as a TD at DSHB shows.

Please note that competition management, licensed officials and competitors must be aware of all USEF DSHB and applicable USEF general rules. Be sure to check the online version of the rules for any clarifications or changes that may have occurred for the current competition year.

NDPC PARTNER SHOW

This is an official Partner Show with The National Dressage Pony Cup, with Pony-Only classes offered!

NDPC Awards: After degree of difficulty per test is added, a ribbon and certificate will be mailed to the Champion Pony from the NDPC. This only applies to Pony Divisions, Pony TOC classes, Pony Freestyle classes, and FEI Pony Tests.

NDPC Year-End Awards: All tests and freestyles ridden in Pony classes will automatically be entered in NDPC Year-End Awards, even if the rider is not a member of the NDPC. (NDPC Members have all scores from any USDF rated show entered into Year-End Awards, not just Partner Show scores.)

Degree of Difficulty Chart is available at www.DressagePonyCup.com/degreeofdifficulty

NDPC Awards for Partner Shows will be mailed after the conclusion of the show.

The National Dressage Pony Cup showcases the exceptional talent, training, and commitment of ponies, their owners, breeders, trainers, and riders in the art and sport of dressage. NDPC encourages competition at every level, for riders of any ability of age, and ponies of any breed or mix of breeds to compete and enjoy their experience.

The NDPC partners with USDF shows around the country to offer our Partner Show Program. These shows will offer at least one 'pony only' class, but possibly more, and an opportunity to receive your USEF Pony Measurement card. You do not need to be a member to compete in a Partner Show. All scores in 'pony only' classes will automatically be entered in our Year-End Awards Program, where you will be competing with ponies across the country.
