

Protective Headgear Rules for Dressage (rev. 2.28.11)

Effective March 1, 2011, the following rules apply to Dressage Competitions, and *Regular Competitions holding “open” Dressage classes (i.e., Dressage classes that are open to all breeds):

1. Riders under age 18 must wear protective headgear, as defined by DR120.5 and in compliance with GR801, at all times while mounted on the competition grounds. This includes non-competing riders as well as those competing at any level.
2. While on horses competing in national level tests (Fourth Level and below), riders must wear protective headgear as defined by DR120.5 and in compliance with GR801, at all times while mounted on the competition grounds. This includes non-competing riders on horses competing in national level tests.
3. While on horses competing in USEF or FEI Young Horse Tests, and FEI Junior Tests, riders must wear protective headgear as defined by DR120.5 and in compliance with GR801, at all times while mounted on the competition grounds.
4. All riders competing in Para-Equestrian tests must wear protective headgear at all times while mounted on the competition grounds. Riders who compete in PE tests must wear protective headgear on every horse they ride, no matter the level or test.
5. All riders of any age while on non-competing horses must wear protective headgear at all times while mounted on the competition grounds.
6. All riders under age 18 and all riders while on horses competing in national level tests, who choose to wear Armed Services or police uniform, must wear protective headgear as defined in DR120.5 and in compliance with GR801 at all times while mounted on the competition grounds. Riders age 18 and over who wear Armed Services or police uniform on horses that are competing *only* in FEI levels and tests at the Prix St. Georges level and above must wear either protective headgear or the appropriate military/police cap or hat for their branch of service.
7. When a horse is competing in both national and FEI levels or tests (e.g. Fourth Level and PSG), the rider must wear protective headgear at all times when mounted on that horse on the competition grounds and during all tests.
8. While on horses that are competing *only* in FEI levels and tests at the Prix St. Georges level and above (including FEI Young Rider Tests, the USEF Developing Prix St. Georges Test and the USEF Brentina Cup Test), riders *age 18 and over* are not required to wear protective headgear in warm up or during competition. However, these riders may wear protective headgear without penalty from the judge.
9. In FEI-recognized (CDI, CDI-Y, CDI-J, CDI-P, etc.) classes, FEI rules take precedence and protective headgear is permitted but not required.
10. All riders while on horses competing in national level classes such as Equitation, Materiale and DSHB Under Saddle are required to wear protective headgear at all times when mounted on the competition grounds.

*11. When a “Regular Competition” offers “open” Dressage classes, section or division, cross entry is not permitted by any **horse/rider combination** between Dressage and other “breed” (e.g., Arabian, Morgan, Friesian, Andalusian/Lusitano) classes held on the same day(s) at the competition. However, a rider competing in “open” dressage classes may ride a different horse in breed classes at the same competition, in which case he/she must wear protective headgear only when riding the horse(s) entered in dressage classes. The rider would not be required to wear protective headgear while schooling or in competition on the horse(s) entered in the breed classes. When a “Regular Competition” offers a “breed restricted” Dressage section or division, DR120 applies only to the designated Dressage warm-up and competition areas, or when the exhibitor is actually warming-up for a Dressage class, and the same horse/rider combination may compete in other breed classes. Horses entered in a Dressage Competition may never be ridden in another Licensed competition on the same day.

Protective headgear is defined as a riding helmet which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The headgear and harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place.

Recommendation to competitions:

In order to distinguish riders who are required to wear protective headgear from those who aren't, it is suggested that entry numbers in a different sequence be assigned to the entries in each group (e.g. use numbers from 1-700 for entries where riders must wear protective headgear and use numbers from 800 and above for entries where riders are not required to use protective headgear).

Short summary statement for use in prize lists:

Effective March 1, 2011, for dressage: Anyone mounted on a horse must wear protective headgear except those riders age 18 and over while on horses that are competing *only* in FEI levels and tests at the Prix St. Georges level and above (including FEI Young Rider Tests, the USEF Developing Prix St. Georges Test and the USEF Brentina Cup Test).
