Officials' Biographies

Natalie Lamping is a USEF "S" judge with Young Horse, Freestyle and Equitation designation, and WDAA. She is a retired FEI 4* judge with 51 years of experience. She has been a member of the USDF Board and a member of the USEF Licensed Officials Committee. Natalie has conducted USEF judge's straining and testing programs. Natalie has judged most of the major Olympic and Pan American Games selection trials for the US Dressage team for the last 35 years, as well as other important competitions including the NAJYRC, Palm Beach Dressage Derby, Dressage at Devon and US Dressage Finals. She was the first USDF Silver Medal recipient and has earned all three USDF medals. She has won many USDF and USEF year-end awards on several horses.

Carter Bass was born in Durham, NC and was raised in a Navy family, moving numerous times throughout childhood. She is a graduate of the University of Washington with a degree in Physical Education. Carter has been involved with horses since childhood, competing in Hunters, Eventing and Dressage. She has been a dressage instructor for 40+ years, and her students have won numerous Horse of the Year awards, regional championships, and competed through Grand Prix. She has been a USEF Licensed official since 1989 – receiving "S"- Dressage and "R" Dressage Sporthorse Breeding licenses. Carter has also been a successful In-hand competitor, winning many Championships, including Dressage at Devon, with homebred horses and handling for other owners. She has been a breeder of Dressage Sporthorses for over 25 years, receiving numerous premium awards for foals. Carter has competed through Grand Prix winning Regional Championships and earning USDF Bronze, Silver and Gold medals on her homebred Oldenburg Gelding Gossamer.

Gwen Ka'waloa is a USEF "R" Dressage and DSHB judge, USDF Certified Instructor (Training-Fourth Level), and a USDF Bronze, Silver and Gold Medalist. She has been fortunate to have ridden some good horses and then been able to train with excellent people. Her mentors are both trainers and judges and through their encouragement, she has worked towards moving up as a judge. Gwen enjoys watching horses and riders find harmony and success. Giving a good score and positive comments is always a great feeling. Judging horses and riders is a passion as well as a career, along with teaching and training.

Koby Robson lives in Southern Pines, NC. Koby is a grand prix trainer with a proven track record of producing FEI horses from green young stock and has earned her USDF Bronze, Silver and Gold Medals earned on self-trained horses. She operates a training center in Southern Pines and offers dressage training and lessons.

Lisa Gorretta, of Chagrin Falls, OH has been a Dressage TD for over 20 years and was formerly a USEF Steward. She is currently a "R" DTD and FEI Level 3 Dressage Steward. Lisa operated The Paddock Saddlery in Chagrin Falls for many years, and is a frequent presenter at USEF TD clinics. Lisa formerly served as USEF Vice President and is currently a co-chair of the US Equestrian Dressage Sport Committee. She is currently serving as USDF President and is also a member of the US Equestrian Board of Directors She has competed at the FEI level and is active in her local dressage community.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

2020 Raleigh Summer Dressage I & II Covid-19 Action Plan

The following document outlines the protocols, guidelines and best practices that will be in place during the Raleigh Summer Dressage I&II competition July 25-26, at the Hunt Horse Complex in Raleigh, NC. These protocols have been developed based on the guidelines set forth by the World Health Organization (WHO), the Centers for Disease Control (CDC), the United States Equestrian Federation (USEF), and the state of North Carolina.

All persons involved in the shows including, but not limited to, staff, officials, volunteers, vendors, exhibitors, trainers, grooms, parents/guardians, and other support staff must adhere to the protocols set forth in this document. In accordance with USEF GR702.1 and GR914, competition management has the authority to remove from the facility any person who does not comply with the regulations and requirements in effect at the competition. Removal of a person from the competition grounds must, and will be, documented by the USEF Technical Delegate in their report to the USEF. Trainers will be considered responsible for the conduct and adherence to the protocols for all individuals associated with their entries.

Anyone attending the Raleigh Summer Dressage I&II must:

- 1. Have not tested positive or has been presumed positive for COVID-19 at any time in the last 14 days.**
- 2. Have not come in contact with anyone who has tested positive or has been presumed positive for COVID-19 at any time in the last 14 days**
- 3. Have not been recommended by a healthcare professional to self-quarantine or isolate in the last 14 days.**
- 4. Have not displayed the known symptoms of COVID-19 including, but not limited to, a fever of 99.5°F (37.5°C), cough, or shortness of breath, within the last 72 hours.**

We strongly request that if you are not feeling well in any capacity that you stay home and not attend our competition. It is everyone's responsibility to take the necessary steps to ensure the safety of yourself and others.

Prior to attending this competition

Planning:

- Electronic entries is the only method for entering this event.
- Prior to entry to showgrounds, you must provide to the competition entry secretary proof of vaccinations, negative EIA (Coggins) and other health documents as required in the Prize List.
- Ensure that Safe Sport is current.
- Signed USEF Entry Agreement and USEF Waiver for ALL people listed on your entry.
- Provide the USEF Waiver for all grooms and family members in attendance.
- USEF requires anyone arriving on the grounds to self-monitor their temperature once daily prior to entering the competition grounds. Anyone with a temperature below 99.5°F (37 SC) may enter the grounds. This will be required upon Initial arrival. Please act responsibly and comply. This applies to EVERYONE in your party (grooms, owners, assistants and family members).
- Face Coverings are REQUIRED for everyone on the grounds except when mounted or competing in the DSHB ring. No exceptions. You will receive one warning and then escorted off the grounds if you are not in compliance. This applies to everyone in your party.
- The Hunt Horse Complex is not open to spectators during this event. This includes your friends who are not serving in another capacity (groom, show volunteer, owner).

General

- All entries should be complete prior to arrival and check-in/packet pickup will be done remotely outside the show office inside the coliseum. Packets for those with complete entries will be located on tables outside the show office. Those with incomplete entries must text or call to set up an appointment to complete their entries. The show office will not be open to anyone except office staff, however competitors may text or call if they want to speak to the secretary.
- All changes, adds, scratches should be texted to the secretary, Dianne Boyd, at 703-850-9704.

- Appointments with show secretaries will be conducted from outside the windows in front of the show office. Anyone needing to conduct business with office staff must stand at 6-foot intervals to allow for social distancing in the line and this process may take additional time. Please allow sufficient time to wait your turn.
- Day sheets will be posted ONLY on the Rosinburg Events website.
- Please access www.rosinburg-events.com for the most current updates to the schedule as the weekend progresses.

During the Competition and While on Grounds

- The competition will provide temperature checks for all staff, volunteers and officials each day. There will be a temperature checking station outside the show office.
- The competition and USEF require anyone arriving on the grounds to self-monitor their temperature once daily prior to entering the competition grounds. Anyone with a temperature below 99.5°F (37.5°C) may enter the grounds. This will also be required upon initial arrival. Please act responsibly and comply.
- Raleigh Summer Dressage I&II will be open and accessible only to trainers, riders, handlers, grooms, owners, a parent/guardian for minors, and competition staff/volunteers. Trainers are required to limit the number of persons that are in attendance with your group. The grounds will be closed to the public and outside spectators. If you are not directly involved with an entry, you are not permitted to be on the grounds.
- Competition Management and the NCSF will attempt to provide reasonable amounts of cleaning and sanitizing products throughout the grounds to help mitigate the spread of disease and to promote a safe environment. Restrooms may be closed for brief periods each day in order for NCSF staff to complete thorough cleaning in addition to the nightly cleaning.
- Everyone on the competition grounds will be required to wear a mask or face covering at all times, except when mounted or handling a DSHB horse in the competition ring. The type of mask or face covering will be that of your own choosing. (North Carolina Executive Order #147 also requires masks or face coverings when a distance of 6 ft cannot be maintained between individuals.)
- EVERYONE on the grounds must maintain at least 6 ft of separation from other persons. Please do not gather in groups.
- Use of hand sanitizer with at least 60% alcohol is strongly recommended.
- A food vendor will be on the grounds and a limited amount of pre-packaged food and water will be available outside the show office. A limited amount of bottled water will also be available at the rings.
- All participants must provide your own personal protective equipment (PPE) and general supplies. This includes, but is not limited to water, food, cleaning products, and other supplies. Barns should develop protocols that limit the communal use of grooming supplies, lead ropes, halters, and tack/equipment. The best practice is to use your own!

Picking up Packets, Tests and Awards

- Management requests that each barn designate ONE person be designated as the official office liaison for any and all collection of tests and ribbons throughout the show. This will help reduce the number of persons that come in contact with the horse show office.
- Adds/Scratches: Adds and Scratches MUST be completed electronically. Please check your ride times via www.foxvillage.com for the most current updates to the schedule.
- Test pick-up/Ribbon/awards collection: We will have the tests and ribbons available for pick up outside the show office. Please send your designated barn representative to collect all completed tests at intervals during the day.
- Tests not picked up at the end of the day will be scanned and emailed. Paper tests and awards not picked up at the end of the show will NOT be mailed after the show.
- Results will be posted online at www.foxvillage.com (or www.rosinburg-events.com) as the show progresses. Paper results will be posted ONLY at the end of each day on a signboard outside the coliseum.

**THANK YOU to everyone for your cooperation to help ensure that
horse shows can continue in this difficult environment!**
